

## Limited Lifetime Warranty

High Quality Custom Cabinetry  
Residential & Commercial

DWP cabinets are crafted by skilled custom cabinetmakers, using the finest quality materials, ensuring they will stand the test of time. Our cabinets are backed with our Limited Lifetime Warranty.

### What does this limited warranty cover?

This limited warranty covers defects in material and workmanship in your DWP custom cabinetry under normal home use and service.

### How long does this limited warranty last?

This warranty lasts for as long as the initial purchaser of the products owns them at the original site of installation. Economy manufactured cabinet lines, such as Wolf products are backed by the original manufacturer warranty of five years. However, as the distributor of this product, we will act as the liaison in filing your claim should a defect occur.

### What will Danlee Wood Products, Inc. do?

DWP will replace or repair any part or parts which may prove defective under normal home use and service.

### What does this warranty NOT COVER?

It does not apply to the mellowing or aging of wood products due to photo-degradation (the effect of natural and artificial light to woods and finishes) of the products' finished appearance. It does not apply to our products or any part thereof which has been subject to accident, negligence, alteration, misuse, defective installation by outside contractor, improper storage, damage from exposure to extremes in temperature and/or humidity or normal wear and tear. Painted face frames and other painted product may have visible cracking around the joint areas. This is considered a natural characteristic of wood as it ages, expands and contracts with changes in humidity and temperature and is not covered under these warranties. DWP reserves the right to determine eligibility outside of these guidelines.

Effect on Implied Warranties Danlee Wood Products makes no other warranty of any kind—express or implied. The implied warranties of merchantability and fitness for a particular purpose and all other warranties, express or implied, are excluded from this transaction and shall not apply to the goods sold unless the goods are “consumer products” as that term is defined by the federal Magnuson-Moss Warranty Act. Some states do not allow limitations on implied warranties, so the above limitations may not apply to you.

### How do you get service?

To file a warranty claim, the purchaser should contact the local dealer or distributor from whom the cabinets were originally purchased. The consumer must provide the dealer, distributor or DWP with proof of purchase. This may be done by providing the dealer, distributor or DWP with a copy of the invoice and/or receipt originally received with the purchase of the cabinets. **FAILURE BY THE CONSUMER TO PROVIDE PROOF OF PURCHASE VOIDS ANY CLAIM MADE UNDER THIS WARRANTY.** The dealer or distributor will obtain the information necessary to make a claim decision and forward such information in writing to Danlee Wood Products for action on the claim.

### How does state law apply?

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
